Text: Exodus 18:14-23

Moses believed what many do: *“If you want something done right, you had better do it yourself.”*

Jethro, Moses’ father-in-law and a priest of Midian and owner of a large sheep flock himself, knew something about management. He observed and let his son-in-law know that his leadership style was not working.... Or at least wasn’t going to work long-term.

He recommended a strategy, an organizational framework for community. It’s called SPAN OF CARE. Defined:

1. NO ONE DO IT –
Everyone needs connection.

2. EACH ONE OF US M DO OUR PART –
Because we are members of one body, each with a part to play, the church cannot become what Christ intends unless e _____
m _____ accepts r _____.

Galatians 6:2, 10 – *“²Bear one another’s burdens, and so fulfill the law of Christ....¹⁰So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith.”*
